

REQUEST FOR STOP LOCATION REVIEW

TF030

As the parent, I understand that (check boxes below):

- it is my responsibility to ensure the safety of my child at the bus stops;
- it is my responsibility to walk with young students to and from bus stops;
- there is no requirement to provide door to door transportation for young students.

If these are not the reasons for a stop location review request, please complete the information required in Section 1. STSBHN Staff will determine within fifteen (15) working days whether the stop location should be relocated. At the beginning of September this timeline may be extended to thirty (30) working days.
