<b>Statement</b>	Students may be required to walk to their bus stop as assigned by STSBHN.
<b>Procedures</b>	<p>JK – Grade 12 students who are eligible to receive transportation may be required to walk up to 0.8 KM to reach their assigned bus stop location.</p> <p>The distance is calculated based on the shortest distance on a safe walking route, as approved by (030) Hazard Transportation Eligibility, between the student's primary address and the bus stop.</p> <p>The proposed distances above are maximum distances. Every effort will be made to minimize the distance from a student's home address to their stop location.</p> <p>Distances are assessed and determined by Bus Planner transportation software.</p>
